Michigan Care Improvement Registry (MCIR) Spring 2011

MCIR Update

New Patient Status options have been added to MCIR records that provide more flexibility to manage patients who have moved away or have not visited a practice recently. To access **Patient Status** in a MCIR record, click on **Edit** next to **Person Information** on the **General Information** screen. **Patient Status** is listed under **Medical Home** on the **Edit** screen.

The screenshot shows the 'Edit' screen for a patient record. The 'Medical Home' section is highlighted with a pink arrow. The 'Patient Provider Status' dropdown menu is open, showing the following options: Active, Inactive - moved or gone elsewhere, Inactive - lost to follow up, and Inactive - deceased. Other sections visible include 'Birth Facility Information' with fields for Name, State, and County; 'MCIR Options' with checkboxes for 'Person does not receive medical care in Michigan' and 'Person is migrant'; and 'Additional Information' with fields for Alias Name (Last, First, Mother's Maiden Name) and a Default checkbox.

A **Patient Status** tip sheet that provides information and guidelines for using these new options is available at http://www.mcir.org/forms/Patient_Status_for_Providers.pdf. You can also contact the **Region 4 MCIR Help Desk** for assistance at 1-888-217-3903.

Wondering if you answered correctly last time? The answers for the Winter 2011 contest were:

1. **Polio vaccination assessment** in MCIR has been updated based on new recommendations from the Centers for Disease Control and Prevention.
2. New Vaccine lot transactions have been added or modified on the **Add Transaction** screen in the VIM.
3. The **Inventory Transaction History by Lot #** report can assist VFC providers to track VIM transactions for a vaccine lot number.

Congratulations to our last contest prize winner Kim Harrison from McLaren Owosso Family Care.

Contest !

Answer the following questions for a chance to win! Participants with all the correct answers will be placed in a drawing for the choice of a MCIR mug, candy jar or shoulder bag. Email or FAX the answers to regional staff by **May 15, 2011**

1. New _____ options have been added to MCIR records.
2. If a person has a _____ or a _____ MCIR record is found, contact the Region 4 Help Desk to update the record or to merge records.
3. The _____ report provides the total doses administered within a certain date range for a particular vaccine.

Vaccine Doses Administered Report

The **Doses Administered** report provides the total doses administered within a certain date range for a particular vaccine. The report appears on the computer screen and can be manipulated to see the number of doses provided per age group, a list of who received the doses, their eligibility and the vaccine lot number. Users can also directly access MCIR records for each person listed. To generate a **Doses Administered** report:

1. Click on **Vaccines Administered** under **Vaccine Mgmt** on the **MCIR Home** screen or under the **VIM** tab.
2. Select the vaccine to view on the **Vaccine** drop down box.
3. Enter a **Start Date** and an **End Date**.
4. Select an **Eligibility** type.
5. Click on the **Get Records** button. The **Total Doses Administered** report will appear on the screen for the vaccine selected. The number of doses given is divided under age-groups.

Date	Name	Birthdate	VFC Elg	Lot #	Qty
04/12/2010	Michigander, Ima	01/31/2001	Medicaid-VFC	74857586	
08/23/2010	Number, One	04/30/2003	Medicaid-VFC	1673X	
08/24/2010	Number, One	04/30/2003	Private Pay/Insurance	653037AA	
01/05/2011	Michigander, Little	02/16/2001	Medicaid-VFC	1673X	

6. To display the list of people who received this vaccine, click on the number link displayed under a specific age group and the names will be displayed.
7. To access a person's MCIR record, click on their name link on the list. The record will open on the vaccine **History** screen.

Don't Forget

- If a person has a name change, contact the Region 4 Help Desk to update their MCIR record. Do not add a second record into MCIR.
- Duplicate MCIR records should be merged to assure a person's record is up-to-date. Contact the Region 4 Help Desk to merge duplicate records.
- MCIR record errors, changes and merges should be submitted on a Petition for Modification. Petitions are available at <http://www.gchd.us/Services/CommunityHealth/MCIR/P4Mform.pdf>
